Advancing Racial Equity in Child Welfare

"We See It, We Know It, and Now We Must Do Something About It:" Working Together to Reduce Inequity

Session Resources

1. [Strategies to Reduce Racially Disparate Outcomes in Child Welfare](#)

Greater understanding of the need to promote improved child welfare outcomes for children and families of color has led to a growing number of national, regional, and local efforts to achieve this goal. Early initiatives were documented in the Alliance publication, *Places to Watch*. This paper updates that national scan, identifying states' and localities' current efforts.

2. [Race and Poverty Bias in the Child Welfare System: Strategies for Child Welfare Practitioners](#)

This article was adapted from a presentation on Bias in Child Welfare by Krista Ellis, Amelia Watson, and Shrounda Selivanoff at the ABA Center on Children and the Law's National Conference on Parent Representation, April 2019 in Tyson's Corner, Virginia.

3. [Strategies to Reduce Racially Disparate Outcomes in Child Welfare](#)

This award-winning documentary podcast series details legal issues surrounding tribal existence. Season 1 focused on how a cut and dry homicide opened up an investigation into the treaty rights of five Native American tribes. Season 2 centers around a federal challenge to the Indian Child Welfare Act.
