

CWVE 2021

Child Welfare Virtual Expo

Advancing Racial Equity in Child Welfare

Exploring the Use of Data to Tell Stories of Inequities

Session Resources

1. [Tableau Racial Equity Data Hub](#)

This data hub allows anyone to see how others are using data as a critical tool in the fight for justice and equity in the United States. This interactive data hub allows users to see examples of how people across all different sectors are visualizing and exploring their data to make change.
